## PUBLIC LANDS FOR THE PEOPLE

A 501(c)(3) non-profit organizations whose mission is:

“TO REPRESENT AND ASSIST OUTDOOR USER GROUPS AND INDIVIDUALS INTERESTED IN KEEPING PUBLIC AND PRIVATE LANDS OPEN TO PROSPECTING, MINING, AND OUTDOOR RECREATION THROUGH PUBLIC EDUCATION, SCIENTIFIC DATA, AND LEGAL MEANS.”

# PLP DONOR OF THE MONTH

**KEEP ON WINNING WITH MAD MINING**—Mad Mining has graciously donated one of their Model 1201 drywashers to Public Lands for the People as one of the many prizes you could win in the 2018 PLP Grand Raffle. For years, Mad Mining has been a proud sponsor of PLP and the Mining and Minerals Advisory Council (MMAC). Both of these mining rights advocacy groups fight to keep public lands open to gold prospecting, mining and other outdoor uses.

Whether you hold a lucky raffle ticket or not, you can't lose with this machine. The Mad Mining Model 1201 drywasher is a winner. It can process up to 6 yards of material per day. At just 28 pounds, it's lightweight, but durable. It's compact and folds down to 13" x 13" x 32" so it can be easily packed into the trunk of a car. This cutting-edge drywasher is designed with 2,500 gold-grabbing pockets to maximize your gold recovery. A fine-tuned combination of air and vibration means the Model 1201 is built to run effortlessly all day without interruption. The patent-pending air-and-vibration technology will capture the heavy materials—black sands, gold and other precious metals, rubies and diamonds—that you want to see in your concentrates.
